1. Empty the **mussel broth** into a small saucepan and place over a low heat to warm through, about 5mins.

2. Meanwhile, place a small frying pan with a splash of oil over medium heat. Remove **scallops** from packaging and season well with salt. Place wider side down in the frying pan, and caramelize for 2mins, turning halfway through.

3. Remove from pan and use a thin, sharp knife to carve each scallop into 3 pieces and place into a bowl.

4. To dress, top with the **pickled apples**, a sprinkle of **pepper powder** and pour over the hot mussel broth.
